GRANT POLICIES

1. A structure must be more than 50 years old to be considered for a grant. However, priority is given to structures that are architecturally significant and endangered.
2. Grants are restricted to project phases that are not underway or already completed at the time of awarding.
3. An applicant may have one active grant at a time in a 12-month period.
4. Grant funds must be used within 12 months from the date of notification, or the grant will be voided.
5. Grant amounts for building projects are fixed and do not increase due to unforeseen conditions encountered in construction.
6. Any contractor or architect chosen by the applicant to perform work must be approved by the Conservation Society. The Conservation Society is not responsible for supervision of the contractor during construction on building projects.
7. Approval by the Conservation Society of grants for structures located in historic districts, **or individually designated structures**, does not take the place of approval of the project by the Historic and Design Review Commission.
8. **Interior work does not qualify for a grant**, with the exception of those interiors that are of landmark quality (such as the interior of the Majestic Theater).
9. Funding will not be awarded for new construction, landscaping, sidewalks, driveways, garages, fences, retaining walls, patios, patio covers, air conditioning systems, electrical work, or ADA/handicapped projects. Maintenance, **such as painting**, is considered to be the responsibility of the property owner and is generally not eligible for grant funding.

10. All work must be done according to the “Secretary of the Interior’s Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings.” A link to the guidelines can be found on the Society’s Website at www.saconservation.org/programs, or on the Web at www.cr.nps.gov/hps/tps/tax/rhb.
11. If replacement of exterior elements is part of a project, there should be pictorial, historical, or physical documentation of the original elements.
12. If wood elements such as windows, foundation skirting, porch balusters, railings, columns, or latticework are to be replaced, please submit some type of detail drawing showing the method of construction proposed and the specific type of materials to be used.
13. Please submit an itemized bid for each category of work for which you are requesting funding. For example, bids for foundation repair, porch restoration and roof replacement would require a separate cost breakdown for each of the three categories of work.
14. Make sure you have fulfilled the minimum requirements for digital images and historical photos listed on page 1 of this application. Quality digital images are extremely important elements of your application. Images are presented to the Board of Directors, who makes the final decision on grant funding.
15. Requests over \$15,000 are seldom granted under this program. The most commonly granted amount is in the \$5,000 range.
16. It is understood that the San Antonio Conservation Society may seek public recognition for its contribution to a project, including the right to erect signage. Such signage to be maintained by property owner.

REMINDER: NO MORE THAN SIX (6) DIGITAL IMAGES IN JPEG FORMAT ARE REQUIRED!
Note: one-use cameras may be purchased and developed for digital photos at grocery and retail stores.
****Please include one image of the front of the building on CD-Rom.**

Please read this application carefully and double-check to make sure you have answered all questions and have provided us with all items requested by 4:30 p.m. of the deadline date.

Failure to do so will result in your grant being ineligible for the current grant cycle.

CONDITIONAL GRANT REIMBURSEMENT INFORMATION and AGREEMENT

To indicate your agreement, please initial each item below, sign and return with your application:

- _____ 1. All grant funds are handled on a reimbursement basis.
- _____ 2. This means that the grant recipient will pay the contractor for work on the project, according to the terms of the contract between the grant recipient and the contractor.
- _____ 3. The grant recipient will then submit a Request for Reimbursement of these funds to the San Antonio Conservation Society.
- _____ 4. The grant recipient will include proof of payment—such as a photocopy of the check made out to the contractor—along with a receipt for this payment signed by the contractor.
- _____ 5. If the grant recipient is paying for materials used in the project, receipts for these materials should also be submitted.
- _____ 6. The Conservation Society does not reimburse the grant recipient for contractors’ fees until work on the project is underway.
- _____ 7. The Conservation Society reserves the right to inspect the project prior to payment.
- _____ 8. The Conservation Society will reimburse the grant recipient within 30 days following the submission of proof-of-payment.
- _____ 9. All work must be done according to the “Secretary of the Interior’s Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings.” A link to the guidelines can be found on the Society’s Website at www.saconservation.org/programs, or on the Web at www.cr.nps.gov/hps/tps/tax/rhb. It is the applicant’s responsibility to become familiar with the standards and guidelines because they are an integral part of the conditions of the grant.
- _____ **10. Should you decide to use another contractor, change professionals (architect), or contract for additional work during the active period of this grant (12 months), you agree to notify the San Antonio Conservation Society in writing of your intent. The Conservation Society reserves the right to approve any contractor or architect.**
- _____ **11. The San Antonio Conservation Society reserves the right to seek reimbursement of all Conservation Society grant funds previously disbursed under the grant application if Grant Policies and the Conditional Grant Reimbursement Agreement are not followed by the recipient.**

AGREEMENT

I understand the payment policy of the San Antonio Conservation Society Grants Program and, if chosen to receive a grant, will be able to follow these procedures.
