RE: Agenda Item 25 – Proposed Westfort Historic District  
Zoning Case # Z2018145 H

The San Antonio Conservation Society supports historic designation the proposed Westfort Historic District. In 2016, the demolition of the C.T. Boelhauwe House on Brahan inspired Westfort residents to seek the protection of historic district designation for their neighborhood, which reflects an eclectic mix of early- 20<sup>th</sup> century styles.

Having been involved in efforts to preserve the Boelhauwe House, the Society remains a staunch supporter of zoning to protect the rest of the Westfort neighborhood as a historic district.

Respectfully submitted,

SAN ANTONIO CONSERVATION SOCIETY
