

SAN ANTONIO CONSERVATION SOCIETY

September 5, 2018

STATEMENT:

TO: Michael Guarino, Chair, and Members
Historic and Design Review Commission, City of San Antonio

RE: Agenda Item 21 – 9599 Braun Rd
HDRC Case No. 2018-367

The San Antonio Conservation Society supports the OHP staff recommendations regarding the addition to the historic farmhouse at 9599 Braun Road. The addition needs to defer to the original house and should be set to the rear of the structure as described. We also support the staff recommendation regarding windows, siding, the standing seam metal roof, foundation and ADA ramp. In 2017, the San Antonio Conservation Society awarded more than \$8,000 to stabilize and restore a portion of this landmark property. The staff recommendations will ensure that the historic character of the property is maintained and that the next phase of work will build upon the initial restoration we helped to fund.

Respectfully,

SAN ANTONIO CONSERVATION SOCIETY
