RE: Agenda Item 23 – 800 W. Russell Place
Resolution to initiate historic landmark designation for 800 W. Russell and a waiver of application fees.

The San Antonio Conservation Society supports the resolution to initiate historic landmark designation for 800 W. Russell in the Alta Vista Neighborhood Conservation District. This c. 1920 Craftsman style bungalow meets three of the criteria necessary to qualify. The original owner, Mary Dalehy, is significant for her contributions to the development of the neighborhood, including the extension the streetcar route to Alta Vista. The house embodies distinguishing characteristics of the Craftsman style and is an established visual feature on the corner of the N. Flores corridor leading into the neighborhood from San Pedro Springs Park. Landmark designation would not only enable the owner to take advantage of tax incentives, but would help preserve a building that contributes to Alta Vista's eligibility as a historic district.

Respectfully submitted,

SAN ANTONIO CONSERVATION SOCIETY
