STATEMENT:

TO: Historic and Design Review Commission, City of San Antonio

RE: Item B-18: 309 & 311 E Evergreen Street
HDRC Case No. 2019-129

The San Antonio Conservation Society supports the proposed Landmark Designation of the Stinson House located at 311 E Evergreen. The house maintains the architectural integrity of its original design and is representative of the quickly disappearing turn of the 20th century housing stock of the surrounding neighborhood. Moreover, the Stinson House served as a local independent cultural arts venue, where local artists exhibited their work and musicians began their careers. Aptly named "That Place Off Evergreen," It served as a beacon for "indie" culture just blocks from the St. Mary's Entertainment Corridor from 1995 until January of 2019.

Thank you.
