## STATEMENT:

TO: Historic and Design Review Commission, City of San Antonio

RE: Item No. B-15: 1022 N. Flores  
HDRC Case No.: 2019-233

The Conservation Society concurs with the OHP staff recommendation that landmark designation for 1022 N. Flores remain in place. While the historic structure that once stood on this site no longer exists, the San Pedro Acequia runs across the southwest lot line of the parcel in question. The acequia, as a designated archeological resource, should continue to be protected. The request for removal of landmark designation should be denied due to the presence of this archeological asset.

Respectfully submitted,

SAN ANTONIO CONSERVATION SOCIETY
