STATEMENT:

RE: Item A-9: 106 Jefferson Street

HDRC Case No.: 2019-314

Statement of the San Antonio Conservation Society regarding the Burns Building signage proposal before the Historic and Design Review Commission.

The San Antonio Conservation Society agrees with the Office of Historic Preservation that the proposed backlit plastic blade sign for the Burns Building is not appropriate. We further support the recommendation that the Burns Building develop an overall signage policy that promotes signage in keeping with the historic character of the building.

Thank you.
