June 5, 2019

STATEMENT:

TO: Historic and Design Review Commission, City of San Antonio

RE: Item B-24: 403 Saint Anthony Avenue  
HDRC Case No.: 2019-308

The Conservation Society does not find the metal shipping container proposed for use as an accessory structure to be compatible with the individually landmarked frame house at this site. The container's metal construction, color and markings, and visibility from Dumoulin Avenue detract from the property. Traditional construction and materials would be more appropriate for an accessory structure in this context.

Thank you.
