STATEMENT:

TO: Historic and Design Review Commission, City of San Antonio

RE: Item A5: 104 N. St. Mary's – Aztec Theater

HDRC Case No.: 2018-018

Statement of the San Antonio Conservation Society regarding the Aztec Theater proposal before the Historic and Design Review Commission.

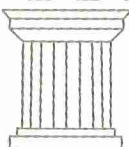

The San Antonio Conservation Society looks forward to the redevelopment of the Aztec Theater building and has been reviewing the project under the terms of the preservation easement that we hold on the building. The redesign of the proposed rooftop addition minimizes its impact on the historic façade and will not detract from the building's exterior appearance. The redesign of the exit stair and platform on Crockett Street do not impact those elements of the façade covered by the easement, and therefore we have no objection to their conceptual approval.

Thank you.
