## STATEMENT:

TO: Historic and Design Review Commission, City of San Antonio

RE: Item B-24: 529 E. Craig Place  
HDRC Case No. 2019-382

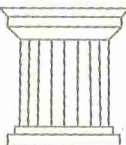

The San Antonio Conservation Society continues to oppose the demolition of the ancillary structure at 529 East Craig Place in the River Road Historic District. We support the position of the Office of Historic Preservation. The building appears to be in good shape, indeed the applicant's own structural report states that the framing is sound and the roof beams adequate. The building also appears to retain the majority of its historic features, including doors, windows and wooden lap siding.

Thank you.
