STATEMENT:

TO: Historic and Design Review Commission, City of San Antonio

RE: Item B-14: 335 Trail

HDRC Case No.: 2018-533

Statement of the San Antonio Conservation Society regarding the 335 Trail proposal before the Historic and Design Review Commission.

The San Antonio Conservation Society concurs with OHP staff recommendations regarding the proposed multi-unit residential development. The proposal contains numerous design elements inconsistent with those present in the River Road Historic District. The current design also fails to comply with the Guidelines for New Construction articulated in the city's Historic Design Guidelines, and should not be approved as a result.

Thank you.
