

SAN ANTONIO CONSERVATION SOCIETY

September 18, 2019

STATEMENT:

TO: Historic and Design Review Commission, City of San Antonio
RE: Item B-18: 223 E. Carolina Street
Historic District: Lavaca
HDRC Case No.: 2019-543

The Conservation Society concurs with the staff recommendations concerning the demolition of the accessory structure located at 223 E. Carolina. The two-bay, board and batten garage remains a contributing structure to the historic character of Lavaca. Its condition warrants rehabilitation in place. Also, the proposed installation of a shipping container with an attached carport is not compatible with the existing neighborhood design vocabulary.

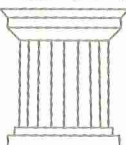

We urge the Commission to deny demolition of the historic accessory structure and the installation of a shipping container.

Respectfully Submitted,

THE CONSERVATION SOCIETY OF SAN ANTONIO
