STATEMENT:

TO: Historic and Design Review Commission, City of San Antonio
RE: Agenda Item B-21: 335 Trail (River Road Historic District)
HDRC Case No. 2018-533

Regarding the development at 335 Trail, The Conservation Society of San Antonio supports the recommendation of the Office of Historic Preservation that the street-facing, front-loaded garage doors not be approved as they are out of character with the design of the River Road Historic District. The Conservation Society further supports the several stipulations that the developer has agreed to in order to obtain final design approval.

Thank you.
