STATEMENT:

TO: Historic and Design Review Commission, City of San Antonio
RE: Item B-11: 909 N. Hackberry
Historic District: Dignowity Hill
HDRC Case No.: 2019-650

The Conservation Society of San Antonio concurs with OHP staff recommendations denying conceptual approval of this project. There is simply not enough information submitted to make a judgement for approval. There are no elevations or delineations indicating the massing or architectural design of the proposed structures. We recommend that the project be resubmitted when the required plans and elevations are available.

Respectfully Submitted,

THE CONSERVATION SOCIETY OF SAN ANTONIO
