RE: Item A-2: 410 E Nueva Street, 422 E Nueva Street

Historic District: La Villita

HDRC Case No.: 2019-108

The Conservation Society of San Antonio opposes the coloration of the proposed building's façade as it is incompatible with the surrounding area. The Society respectfully asks that a color palate more in keeping with those found in the La Villita Historic District be considered.

Respectfully Submitted,

THE CONSERVATION SOCIETY OF SAN ANTONIO
