STATEMENT:

TO: Historic and Design Review Commission, City of San Antonio

RE: Item 22: 619 Dawson

HDRC Case No.: 2020-220

The Conservation Society of San Antonio concurs with staff recommendations for denial of conceptual approval. The proposed front elevation design is not consistent with historic patterns in the neighborhood. The front porch needs to have a proper usable depth and columns that delineate this porch in a way that is compatible with the historical norm.

Respectfully submitted,

THE CONSERVATION SOCIETY OF SAN ANTONIO
