HDRC Case No.: 2020-177

Landmark Name: Individual Landmark

The Conservation Society of San Antonio is in support of the revised signage for the new city parking garage on Tuleta Drive adjacent to the San Antonio Zoo and Brackenridge Park. The Conservation Society would like to thank the Zoo, the Brackenridge Park Conservancy, city officials and staff for working together to reach a compromise plan that satisfies all parties. We are pleased that the signage will support and promote two San Antonio treasures: Brackenridge Park and the San Antonio Zoo.

Respectfully submitted,

THE CONSERVATION SOCIETY OF SAN ANTONIO
