RE: Item 25: 335 Trail

HDRC Case No.: 2020-201

Historic District Name: River Road

The Conservation Society of San Antonio continues to support the recommendations of the Office of Historic Preservation regarding the development at 335 Trail, including the stipulation that the front yards on Trail be increased to better harmonize with the River Road Historic District. We are pleased that the heritage oak is being conserved. The Conservation Society remains concerned about the visual impact of the large cistern tanks on the trail as it passes the development.

Respectfully submitted,

THE CONSERVATION SOCIETY OF SAN ANTONIO
