Be the first to know how these 2023 STR updates could impact your neighborhood. This presentation from DSD will include the new support staff for STR ordinance, how STRs operate in neighborhoods, resources and information on STR permits, how to track STRs using BuildSA, and the enforcement of the code on illegal STRs operating in your neighborhood.

T1NC will provide an update on (STR) bills currently in the Texas Legislature impacting Neighborhoods.

For your neighborhood's protection you need to be informed.

Please join us, food and beverages will be provided.
