ATTENTION: President Betty Bueché

The Conservation Society of San Antonio

Regarding: Meeting with Former Presidents

Dear President Bueché:

I am writing to thank you for taking time to meet with the former Presidents of the Conservation Society of San Antonio, on Wednesday, September 30th, regarding the pause of the 2027 Night in San Antonio[®]. They recognize this is a difficult situation and appreciate the opportunity to provide input.

The twelve Former Presidents who attended unanimously support the President, Executive Committee and Board decision to pause NIOSA[®] in 2027. The pause will give you and your team time to research matters concerning NIOSA[®] and to take corrective measures. Hopefully, guard rails can be put in place and a checks and balance system adopted to help avoid future occurrences.

The Former Presidents' recommendation is for the President to engage a CPA to perform a forensic audit and a crisis management consultant. This should allow you to act immediately.

The Former Presidents stand ready and willing to assist you in any way they are needed.

Respectfully,

Lynn Osborne Bobbitt, Presidential Advisor
